Report Summary

1. Yes I completed the assignment and the program ran without errors.
2. Yes, the program produces the necessary graphs and outputs the time for each sorting algorithm in the terminal.
3. The program was tested with several smaller number ranges before submission.
4. I spent about 5 hours on this assignment.
5. I wrote the program myself with the exception of the algorithms.
6. I consulted the documentation or sites like Stack Overflow when I encountered any issues.
7. I learned how to use sorting algorithms.
8. The lists are too large to reasonably test repeatedly.
